

Gordon House Tour

On Sunday, November 10 Packards of Oregon will be touring to the Oregon Gardens in Silverton and then taking a tour of the Gordon House. Frank Lloyd Wright designed the house as part of his Usonian series for Conrad and Evelyn Gordon. It is the only Frank Lloyd Wright project in the state of Oregon. At 9:30 am we will be meeting at our favorite haunt, the Peppermill at Kinnaman Rd & Farmington Rd and touring down to 99 and Newberg where we'll head south on 219, through Woodburn, Gervais, and Mt Angel to Silverton. There we'll grab some lunch, and then on to Oregon Gardens and the Gordon House.

There is an admission fee, discounted to \$10/head, assuming we have at least 10 in our group. As we are reserving tour space, it is imperative that you respond to reserve your space. Please RSVP to the [Club Email \(packardsoforegon@gmail.com\)](mailto:packardsoforegon@gmail.com) or call me by Sunday November 3.
