June 11, 2017 is the Annual Strawberry Social & Tour at the Jabs' residence.

June 19-23/2017 is the Classic Car Club National Packard meeting in South Bend, Indiana.

June 24, 2017 is the Pacific Northwest CCCA Grand Classic.

Joe Santana has a car wheel for a 6 cylinder Packard & a box of Packard magazines to give away. He also passed out an Orenco Station (Hillsboro, Oregon) brochure produced by the Business Owners Association showing a map and list of the many and diverse businesses and activities. Bill Price is organizing a tour August 5, 2017, and the Orenco Station may work out for a display of cars. Joe will check on the details and date and get back with Bill for organizing the event.

George Chobin was in the hospital for emergency surgery and is recovering at home now.

Wade was on his way to Albany when a rock cracked his windshield on one of his restored cars. A glass company in McMinnville was able to cut and fit a new windshield.

Matt mentioned that the second Saturday of the month there is an open house at the Western Heritage Museum in Hood River, Oregon. He also said he discovered a Turtle Wax product which masks odors in cars, such as mice and cigarettes. He has emailed specific information on his alleged prototype car to Mr. Dixon, who is knowledgeable and prolific. He charges \$30.00 an hour if he finds information, but charges nothing if he does not find anything.

Wade mentioned Studebaker is still in business in Canada and makes studs for tires.

Howard said the Club's Certificate from the Packard Club of America is on his garage wall, and the State of Oregon Corporate License has been renewed.

John and Howard are participating in the Rose Parade this year. Howard has ordered a 6V electric fan for his 1950 DeSoto to place in front of the radiator.

The meeting adjourned at 7:15 pm.
